Real and predicted reaction times of holdout data for participant 2

Real and predicted reaction times of holdout data for participant 3

Real and predicted reaction times of holdout data for participant 4

Real and predicted reaction times of holdout data for participant 5
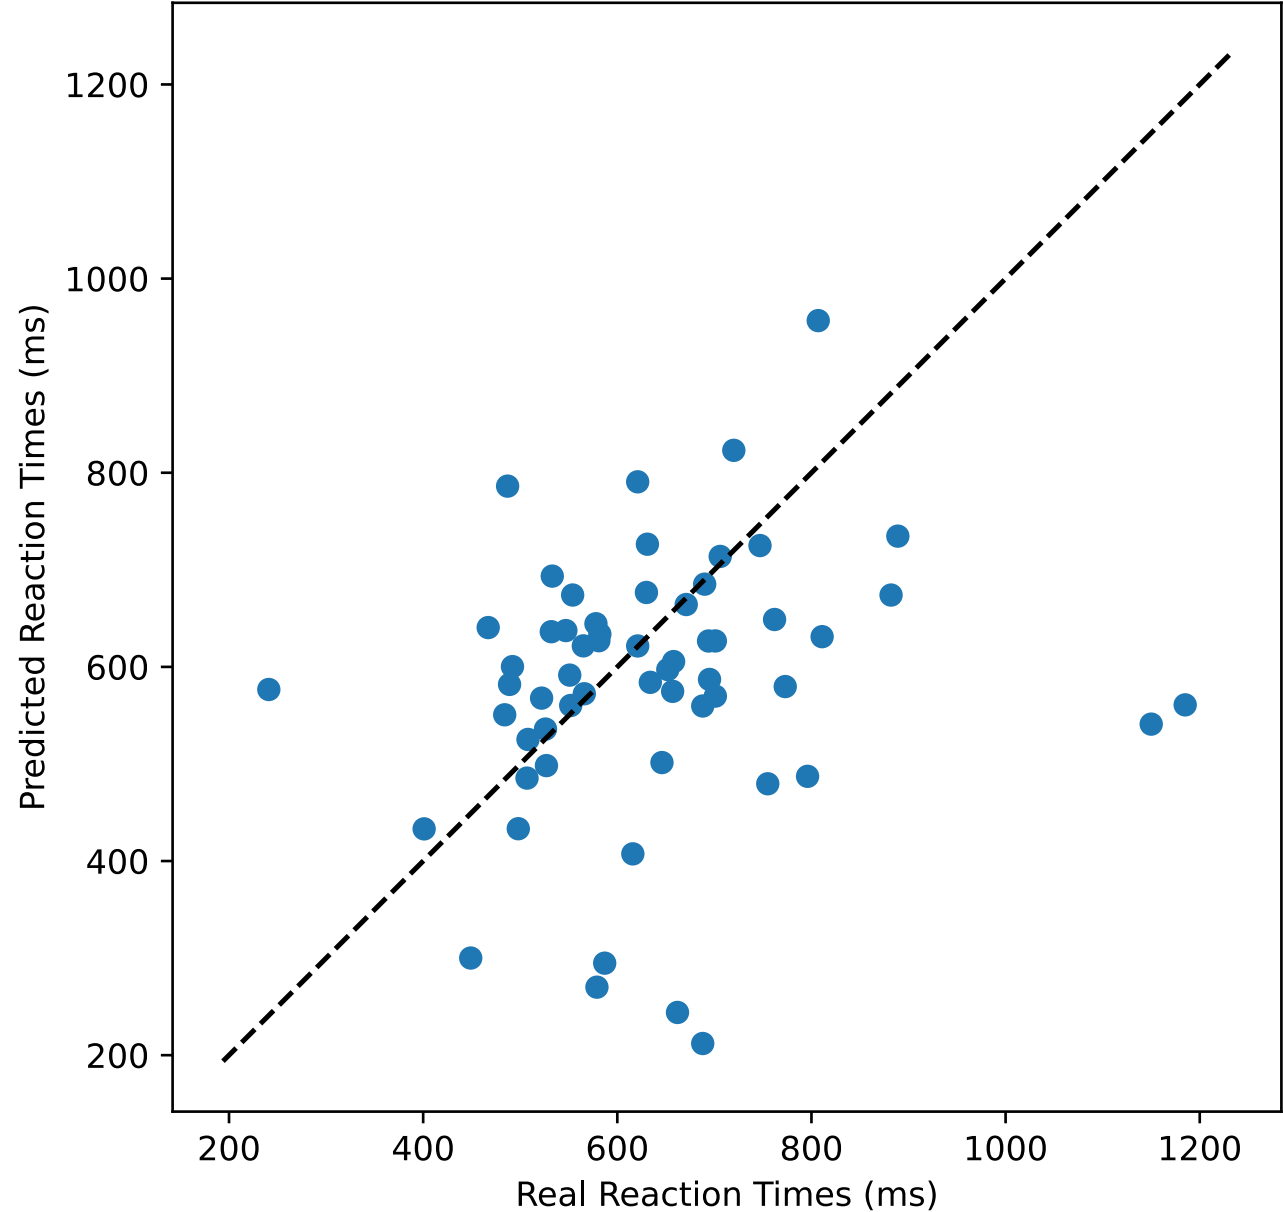

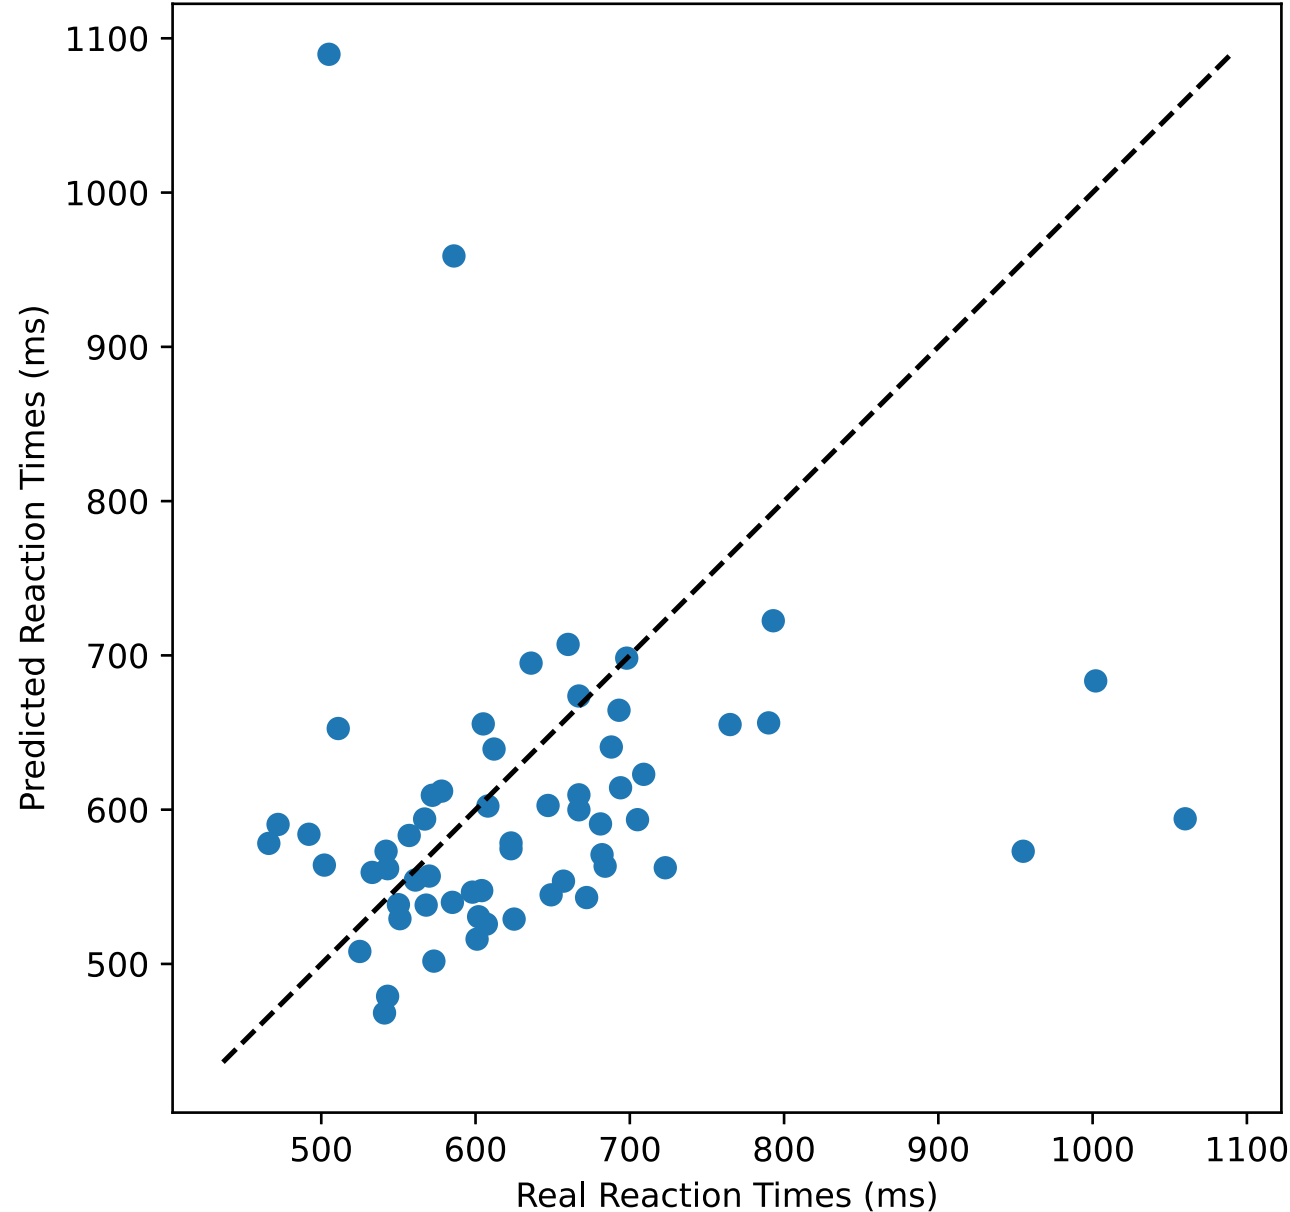

Real and predicted reaction times of holdout data for participant 9
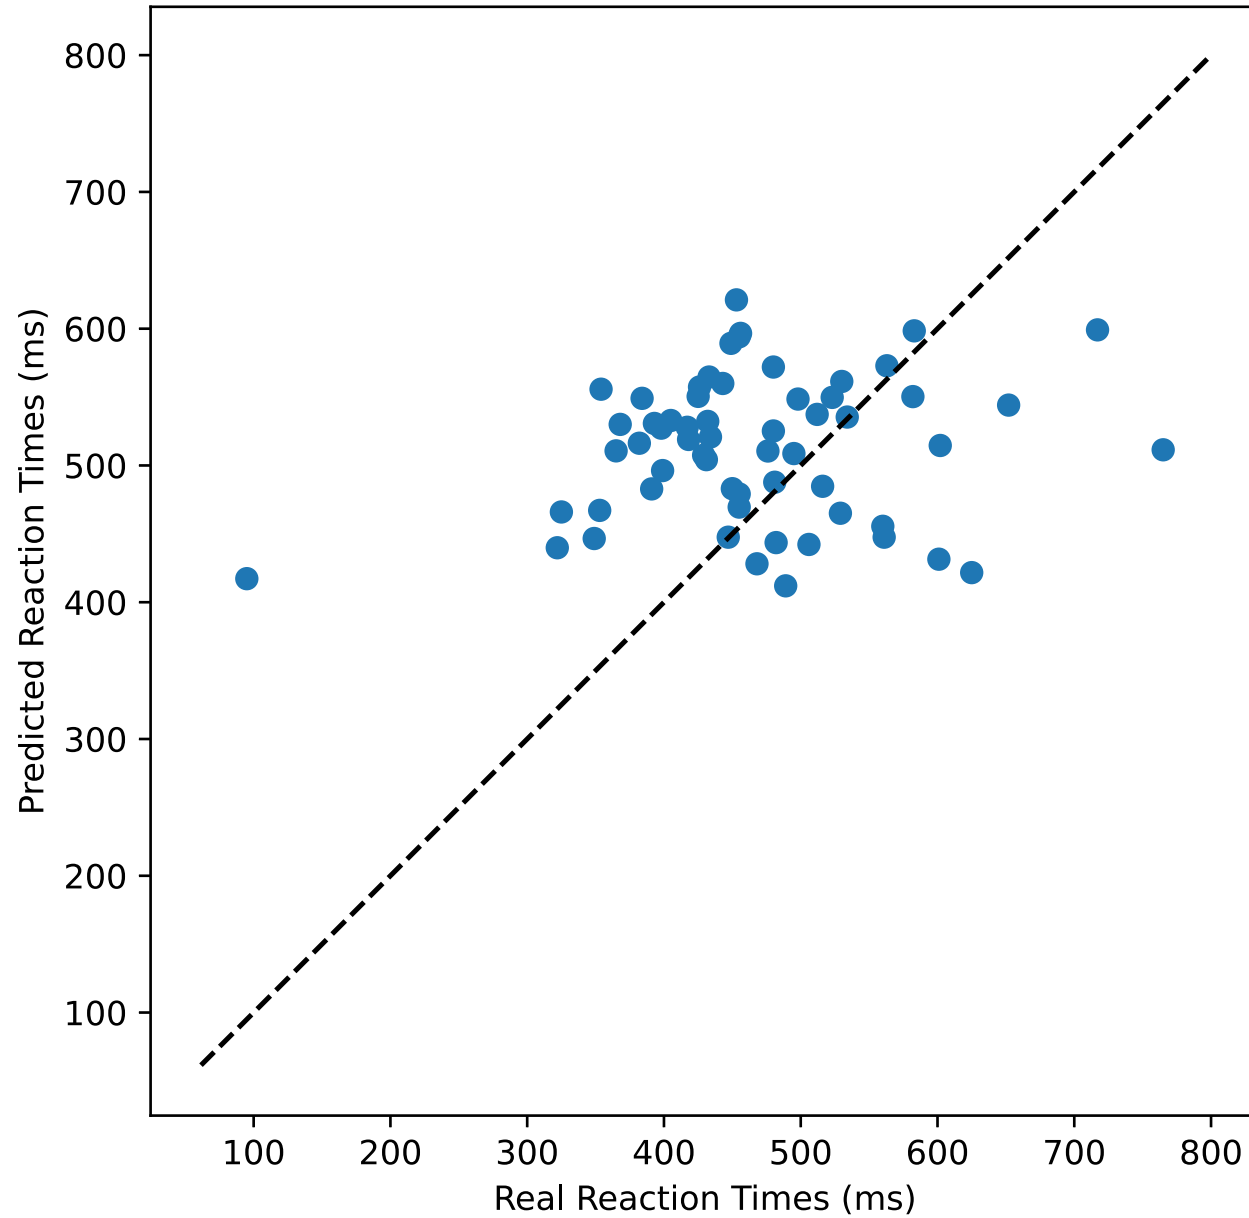

Real and predicted reaction times of holdout data for participant 10

Real and predicted reaction times of holdout data for participant 11
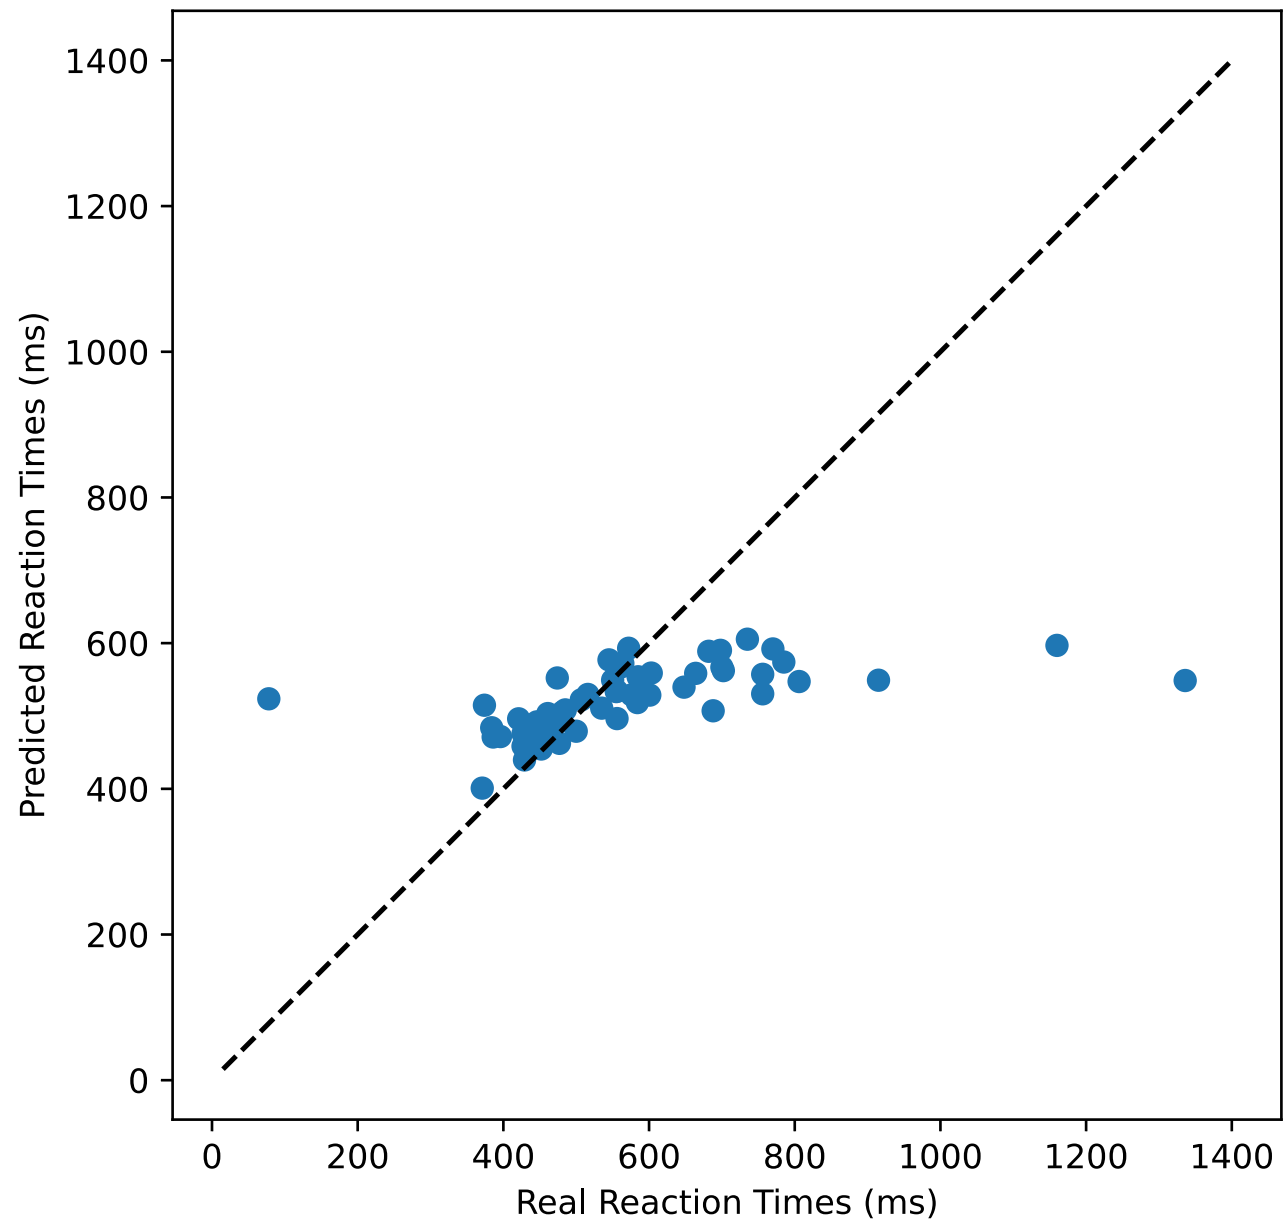

Real and predicted reaction times of holdout data for participant 12
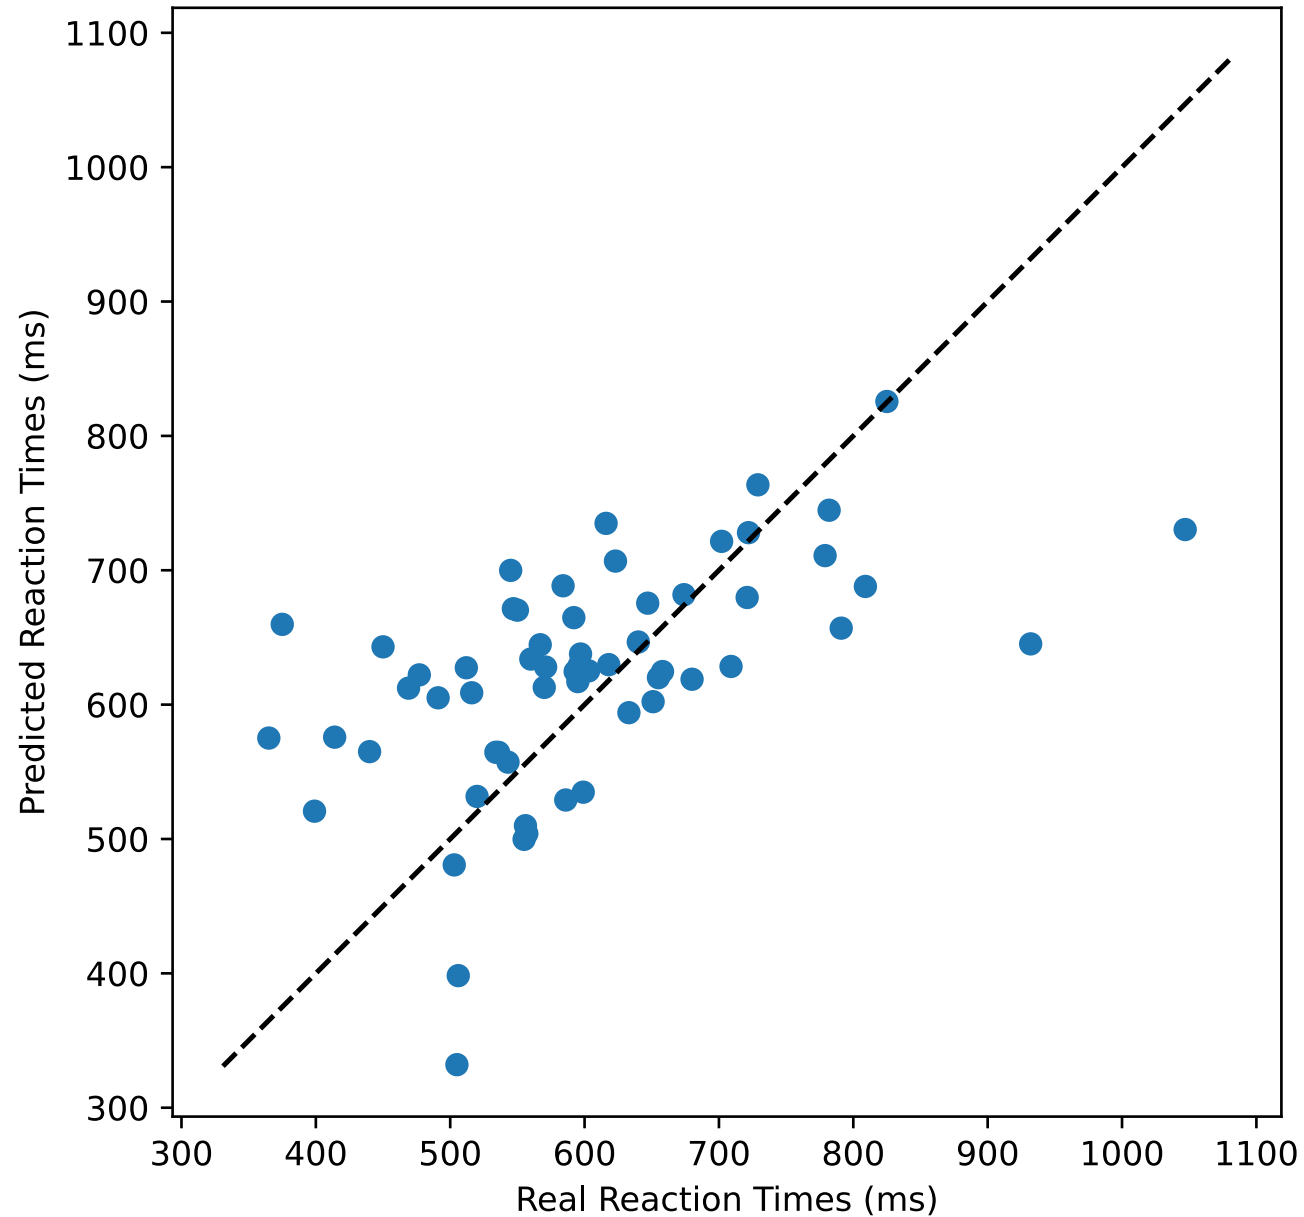

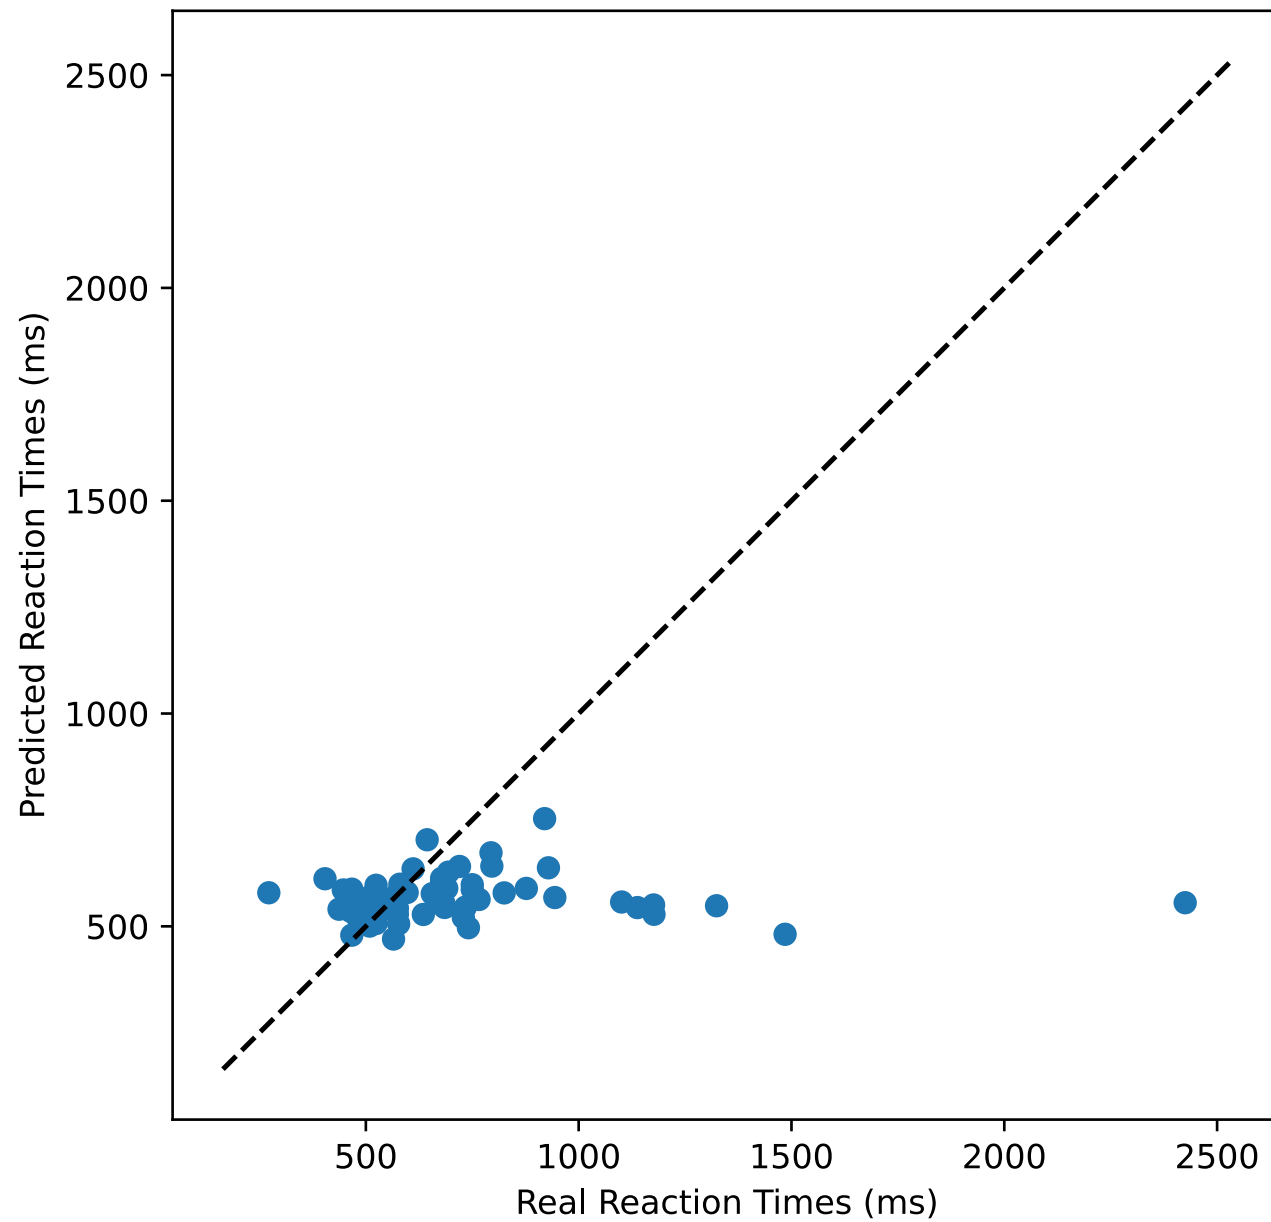

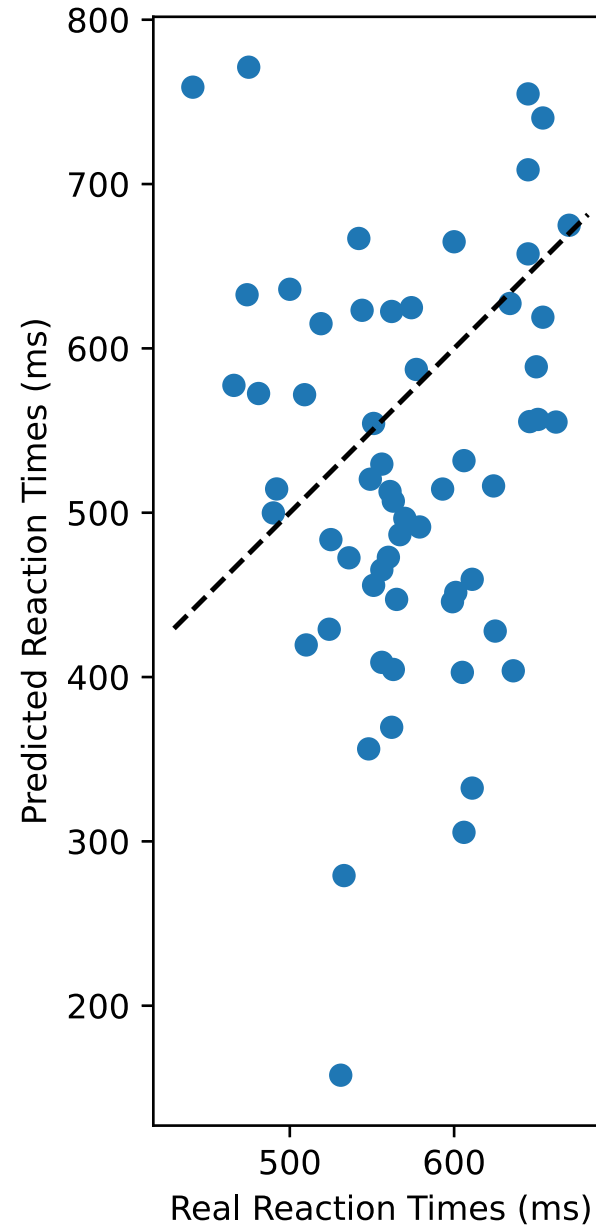

Real and predicted reaction times of holdout data for participant 13

Real and predicted reaction times of holdout data for participant 14

Real and predicted reaction times of holdout data for participant 15
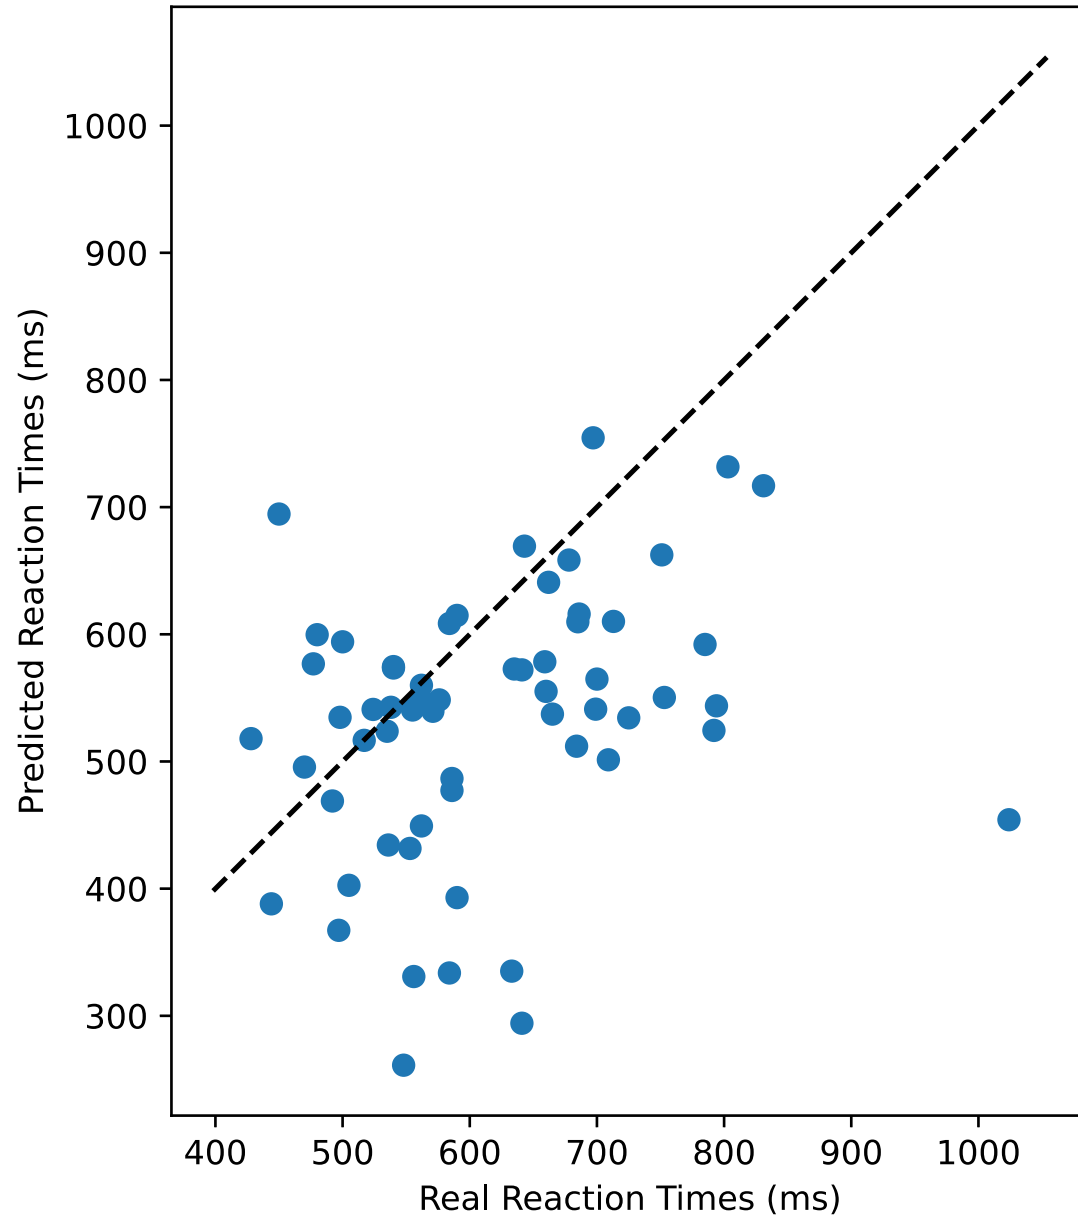

Real and predicted reaction times of holdout data for participant 16

Real and predicted reaction times of holdout data for participant 17

Real and predicted reaction times of holdout data for participant 1

Real and predicted reaction times of holdout data for participant 18
